EXPERIENCE

Connaissant Consultancy Services Pvt Ltd Consultant (Frontend Developer)

2023(Apr)-Present

Having expertise in JavaScript, I started working in Connaissant Consultancy Services as a consultant and worked on Vue.js to build and manage various projects. Worked on various projects like **GST, CMS, Assets, RFP, Fusion etc**

Along with working on Company's projects, I have also worked to build the website for the company.

Connaissant Consultancy Services Pvt Ltd

GST - Worked on support and maintainance of GST module in Realapp.

CMS - Worked on the development of Collection Management system that deals in Invoice, Receipt, Credit Memo and Debit Memo of users.

Assets - Deals in the process of transferring the assets from one location to another.

RFP - Request for Proposal deals in the process of making a proposal to vendors by users for purchasing items and then compare the bidding done by them to get the best bid of all.
